

CERTI-VEX[®] EQUIPMENT CLEANER

Non-Red Label Equipment Cleaner

DESCRIPTION

CERTI-VEX EQUIPMENT CLEANER effectively cleans and maintains spray equipment after use of curing compounds, sealers, epoxies and urethane coatings. Cleans overspray areas, is non flammable and efficient thinner.

BENEFITS

- Meets EPA and AIM VOC regulations
- Non Red label, high flash point
- Safer, quicker clean up
- Efficient viscosity reduction when used as thinner

APPLICATION

Clean application equipment including spray tips and nozzles and solvent resistant brushes daily to ensure ease of application of coatings. When using with waterborne products, flush with water after using Certi-Vex Equipment Cleaner.

SPECIAL NOTES

- May affect some surface areas if splashed.

WARNING

When used, the material may be classified a hazardous material for purposes of disposal. This material should be kept in a separate container and local, state, federal rules for disposal must be followed. Contact Vexcon if additional questions and/or information is required and consult the Material Safety Data Sheet.
