CERTI-VEX[®] SUPER DEGREASER & CLEANER

INDUSTRIAL GRADE • ECONOMICAL

DESCRIPTION

CERTI-VEX[®] SUPER DEGREASER & CLEANER is a powerful industrial grade product that is specifically formulated to clean grease and oil stains, tire marks and dirt from concrete surfaces. Dilute for use as an economical daily or weekly cleaner for lighter duty applications. Certi-Vex Super Degreaser & Cleaner is based on natural pine oil enhanced with detergents, wetting agents and specialty solvents in a safe non flammable emulsion. Certi-Vex Super Degreaser & Cleaner rinses clean without leaving a soap residue film but its deep cleaning action leaves a sparkly clean floor.

BENEFITS

- Deep aggressive cleaning
- Non-Flammable
- Removes dirt, grease and oil that other cleaners miss
- Dilutable for economical use
- No soap scum
- Will remove most tire marks

PROTECT

After thorough cleaning, finish your surface with one of Vexcon's premium concrete protection products. Contact Vexcon for product recommendations.

SPECIAL NOTES

- Protect all surrounding plant and vegetation with a plastic drop cloth.
- Surface area should be tested to prevent damage to substrate.
- Do not allow the product to dry on the surface. Keep wet by applying additional material.
- If properly stored in its original sealed container, three years from date of manufacture. May require mixing. Rotate your stock.

APPLICATION INSTRUCTIONS – INITIAL CLEANING

- Mix well prior to application to a uniform consistency.
- Apply with squeegee, brush, floor scrubber or mop full strength for deep cleaning. Let Certi-Vex SuperDegreaser & Cleaner set on tough stains for 10-15 minutes.
- Scrub and thoroughly rinse the area with water using a scrub brush or mop.
- Reapply if necessary to remove any remaining material.

APPLICATION INSTRUCTIONS – DAILY CLEANING

- Dilute with 1 part Certi-Vex Super Degreaser & Cleaner to 4 parts clean water.
- Mop, squeegee or auto scrub machine apply.
- Rinse and vacuum dry.

PACKAGING

Certi-Vex Super Degreaser & Cleaner is available in 55-gallon drums, 5-gallon pails and 1-gallon units. Contact Vexcon to discuss your customized packaging requirements.

CAUTIONS

- Designed for use on concrete or concrete that has been sealed with water resistant coatings
- Test other surfaces in an inconspicuous spot prior to using

HEALTH AND SAFETY

- Caution, slippery when applied. Use care when walking. Spread sand for traction.
- Use only with adequate ventilation.
- Use of gloves, goggles and other protective clothing is advised when using this product.
- If swallowed, do not induce vomiting.
- Aspiration of materials into the lungs can cause chemical pneumonitis, which can be fatal.
- Use of respirators is advised when using this product in confined areas.

Contact Vexcon if additional questions and/or information is required. Vexcon MSDS, OP111 is an integral part of the safety and application of our product. A short synopsis is provided in this product data sheet. Before using this Vexcon product, it is advisable to obtain a copy of the MSDS from your distributor or by contacting Vexcon Chemicals.

VITAL STATISTICS

- Flash Point: 200° F (60° C) TCC
- Autoignition Temp: ND
- Extinguishing Media: Foams, Dry Chemical, CO₂, Water fog or spray
