

PAVER RENEU EF DEGREASER & CLEANER

SOY BASED CLEANER
PROFESSIONAL GRADE • ECO-FRIENDLY

DESCRIPTION

Paver Reneu EF Degreaser & Cleaner is an eco-friendly all natural industrial grade daily and surface preparation cleaner. Paver Reneu EF Degreaser & Cleaner will effectively and safely clean grease and oil stains, tire marks and dirt from concrete, masonry, stone, vinyl flooring and tile. Dilute for use as an economical daily or weekly cleaner for lighter duty applications.

Paver Reneu EF Degreaser & Cleaner is derived from soybean oil which is an environmentally friendly bio based agricultural material making it user safe, low odor and is easily cleaned up with water.

BENEFITS

- Professional strength
- Removes dirt, grease oil and most tire marks.
- Dilute for economical use
- Environmentally friendly
- Made from over 96% renewable resources
- Safe to use
- Low odor
- Cleans horizontal and vertical surfaces
- Solvent free

APPLICATION – INITIAL CLEANING/HORIZONTAL

- Mix well prior to application to a uniform consistency.
- Apply with squeegee, brush, floor scrubber or mop full strength for deep cleaning. Let Paver Reneu EF Degreaser & Cleaner set on tough stains for 10-15 minutes.
- Scrub and thoroughly rinse the area with water using a scrub brush or mop.
- Reapply if necessary to remove any remaining material.

APPLICATION – INITIAL CLEANING/VERTICAL

- Mix well prior to application to a uniform consistency.
- Apply full strength for deep cleaning.
- Apply and scrub from the bottom up using soft Tampico masonry brush with approximately 3” bristles.
- Reapply and scrub again if needed.
- Rinse thoroughly from top down.

APPLICATION – DAILY CLEANING/HORIZONTAL

- Dilute with 1 part Paver Reneu EF Degreaser & Cleaner to 4 parts clean water.
- Mop, squeegee or auto scrub machine apply.
- Rinse and vacuum dry.

APPLICATION – DAILY CLEANING/VERTICAL

- Mix well prior to application to a uniform consistency.
- In a clean bucket, dilute 1 part Paver Reneu EF Degreaser & Cleaner to 4 parts clean water.
- Apply and scrub from the bottom up using soft Tampico masonry brush with approximately 3” bristles.
- Reapply and scrub again if needed.
- Rinse thoroughly from top down.

SPECIAL NOTES

- Protect all surrounding plant and vegetation with a plastic drop cloth.
- Surface area should be tested to prevent damage to substrate.
- Do not allow the product to dry on the surface. Keep wet by applying additional material.
- Shelf Life: If properly stored in its original sealed container, three years from date of manufacture. May require mixing. Rotate your stock.
- Proper application of Vexcon material is the responsibility of the installer or user. Telephone consultation and/or field visits by Vexcon personnel are for the sole purpose of making technical recommendations only, and not for providing quality control or supervision on location.
- Prior to use contact Vexcon Chemicals for complete warranty information.

PROTECT

After thorough cleaning, finish your surface with one of Vexcon’s premium concrete protection products. Contact Vexcon for product recommendations.
