PRE-PURCHASE RAFFLE TICKETS

CHARITABLE DONATION

Sarvy, I'm not the website designer guy. WAY Easier for me to describe what is required that continue d

We need to embed the payment stuff for Paypay. Kathy at Track3 was registering Track3 for a Paypal ac  
probably certain embedded HTTPS stuff from paypay that you need to include, Credit card #, Holder Nam

Each registrant will have to designate by maybe a radio button or check box whether they are Adult Mem  
Member, etc so we can calculate costs

The # of prepaid Raffle tickets will require a calculation

We can either Auto generate a Tax receipt for Donation or we can email or request address for mail. I su  
1<sup>st</sup> email address (which is marked \* for mandatory field)

We obviously need to keep a record of registrants, export or print them out in excel.

Bonus feature is an email confirmation of registration information

URL should be a sub-page of [www.track3.org](http://www.track3.org) Under the events Tab.
