

A Uniquely Decorative, Long Lasting floor

Water-base • Eco-Friendly • VOC Compliant

Complete Epoxy Decorative Floor Kit

POWERCOAT® One Epoxy

The **One-Part** light-duty epoxy concrete protection system.

- High-gloss with decorative appeal
- Clear topcoat locks in DecoChips
- Easy to use and maintain
- Low odor / water based
- Stain, gasoline & hot tire resistant
- Extremely durable and long lasting

Ideal for commercial, residential and institutional installations:

- Basements
- Gas stations
- Lobbies and walkways
- Garages
- Commercial showrooms
- Locker rooms
- Recreational areas
- Restaurants
- Educational and healthcare facilities
- Kitchens

This kit contains **everything you need** for a high-gloss, decorative concrete floor.

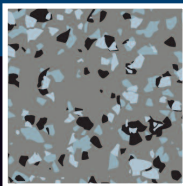

One Gallon PowerCoat One Epoxy color base coat
DecoChips - 16oz. shaker
One Gallon PowerCoat One Epoxy clear top coat

Covers up to 250 sq. feet per kit.

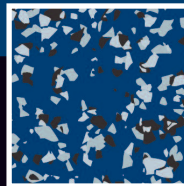

Four unique decorative floors to choose from.

PowerCoat Breathable Technology

PowerCoat Epoxies allow moisture vapor to pass through rather than becoming trapped. This prevents blistering and peeling.

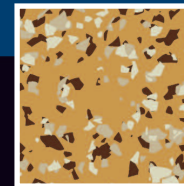

Cool Blend DecoChips with Metallic Pewter Base Coat

Cool Blend DecoChips with Royal Blue Base Coat

Earth Blend DecoChips with Polar White Base Coat

Warm Blend DecoChips with Desert Tan Base Coat
