

Protect, Enhance & Maintain

MASONRY & CONCRETE WALL COATINGS | GRAFFITI CONTROL

Keeping surfaces looking great and dry requires products that can resist the elements. Our product line of high performance waterproof coatings provide years of protection from the elements while enhancing the aesthetic appearance of the structure. Our products provide design flexibility and can be combined into systems with other Vexcon products to meet your projects specific requirements. Our exterior and interior coatings perform on all substrates, in all types of climate conditions and environments. Vexcon delivers single-source solutions, expert advice and a wide variety of products.

StarSeal BB Sealer

Ideal for burnished concrete block.
Improve Appearance & Protection – Gloss

Guard

Ideal for building façades, tilt-up construction, pre-cast concrete, bridge and parking structures and residential and commercial buildings.

Decorative – Solvent Base - High Build – Waterproof - Best Performance – Texture or Smooth - Low Temperature Application

Block Fill

Ideal for porous concrete substrates.
Improves Bond – Uniform & Sealed Surface – Fills Holes & Voids

StarSeal Vertical Stain

Decorative – Economical – Non Fading – Good Performance

Certi-Vex Masonry Paint

Ideal for parking structures, columns, soffits and walls.

General Purpose – Economical – Decorative – Better Performance

StarSeal 1315 Beading Flat

Clear/Matte – UV Resistant – Economical – Good Performance

Powercoat Anti-Graffiti

Ideal for locations where frequent graffiti protection is required.

Non-Sacrificial – Breathable – UV Resistant – Gloss & Matte Finishes – Water & Solvent Base

Benefits

- Years of Protection
- Outstanding Aesthetics & Design Flexibility
- Easy to Use & Economical Products
- Enhance the Value of Structure
- Breathable Technology

Substrates Protected

- Concrete Walls
- Burnished Block
- Brick
- Split Face Block
- Stucco
- Concrete Masonry Units
- Architectural Concrete

Applications

- Building Facades
- Tilt-Up Construction
- Pre-Cast Concrete
- Bridge & Parking Structures
- Tunnels, Underpasses, Sound & Retaining Walls & Barriers
- Residential & Commercial Buildings
- Columns, Pier Caps, Soffits & Abutment Walls

Concrete solutions for architects, engineers and builders since 1974
