

Custom Color Match

- I. Vexcon Chemicals has the following custom color provisions for the products and sale of custom colors.
1. Custom colors may be subject to additional up-charges. Always contact your Vexcon representative for proper pricing.
 2. Approved color card/drawdown, must be signed and returned to Vexcon or a color match waiver sign-off included with purchase order, prior to acceptance of purchase order.
 3. Allow 7-10 working days to manufacture custom color, after color is approved or waiver received.
 4. CUSTOMER COLOR RE-ORDER POLICY: only 1 re-order, of less than original volume, of a custom color will be allowed to finish a project at the particular quoted price. All subsequent orders will be at list price plus additional up-charges.
 5. Production overrun of 10% is not returnable and will increase original quantity ordered per customer purchase order. This overrun will be billed and payable to Vexcon Chemicals, no exceptions.
 6. Orders for any custom color product are non-cancelable or returnable. Custom colors are produced \pm 10%.

II. Submit the information with EACH sample to be matched.

Date submitted _____ and your Sales Representative: _____

1. Vexcon Product: _____
2. Customer desired color name or project name: _____
3. Project reference and location: _____
4. Distributor (name, address and phone number): _____
5. Contractor (name, address and phone number): _____

III. Vexcon will provide a draw down of the color for the customers approval. The back of the draw down will have a custom color stamp and a line for your approval of the color. Vexcon will computer match the production batch to the sample draw down within 1 Delta E Unit. A copy of the computer print out will be attached to the order.

IV. Color Match Waiver: You may choose to have the custom color produced without approving the drawn card. In this instance we will match the color to within 1 Delta E and send computer match with order

Custom Colors are not returnable or cancelable after production begins.

I have received Vexcon's Custom Color Form and agree with the terms as outlined.
